

**REMARKS**

Claims 1 - 8 are pending in the present application. By this Amendment, the specification has been amended and a new Abstract has been provided. No new matter has been added. It is respectfully submitted that this Amendment is fully responsive to the Quayle Action dated August 9, 2007.

**Allowable Subject Matter:**

Applicants gratefully acknowledge the indication in item 3 of the Office Action that claims 1-8 are allowable.

**Specification:**

In item 2 of the Action, the Abstract stands objected to due to minor informalities. As such, the original Abstract has been deleted and a new abstract has been provided to the informalities. In addition, Applicants submit that the entire specification has been reviewed for grammatical errors as suggested in item 2 of the Action. As such, withdrawal of this objection is respectfully requested.

In view of the aforementioned amendments and accompanying remarks, Applicants submit that the claims, as herein amended, are in condition for allowance. Applicants request such action at an early date.
